## ▼ PROSPETTI PROGETTO

Progettista : Ing. Francesco BERETTO  
Via Fiume n° 18 – CIRIE'

This architectural site plan illustrates a residential complex. The plan features several buildings, including a large central block with multiple wings and a smaller detached section. The complex is enclosed by a perimeter wall with numerous circular gates. A compass rose is located in the top right corner, with the letter 'N' indicating the north direction. Two specific points are marked: 'A' on the left side of the plan and 'B' on the right side. Point A is located near a gate on the western boundary. Point B is located on the southern boundary, near a gate. The plan also shows internal courtyards, walkways, and parking areas.
